

Tevesi

Absorbi Pro

Tevesi® Absorbi Pro offers the next step in floor protection thanks to the innovative use of viscose cleaning cloth material, which can absorb 7 to 10 times its weight in liquids. This makes it much more effective than traditional polyester alternatives. Ideal for painting, plastering, moving and construction projects, Tevesi® Absorbi Pro prevents dirt from being carried inside.

Technical data

Liquid proof

Shock-resistant

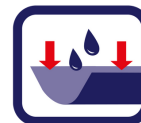

Self-adhesive

Non-slip

Tear resistant

Absorbent

Composition

Medium
Glue

Viscose cleaning cloth
Dispersion acrylates

Dimensions

Rolls

1m x 20m

Technical data

Colour

Yellow

Fleece thickness

145 g/m²

Features

Absorbent (1,015 - 1,45 liter / m²)

Liquid proof

Non-slip

Self-adhesive

Shock-resistant

Application

For all dried-through surfaces

Suitable for floors and stairs

Lay down with an overlap of approximately 10 cm, press down securely

Application temperature

Between 5 degrees Celcius and 40 degrees Celcius

Durability

Maximum of 3 months

Remarks

Only apply on dried surfaces

Test the suitability of the product before use

Turn off floor heating before use
